

CALL FOR NOMINATIONS TO SERVE AS CHAIRPERSON OF THE PELINDABA PUBLIC SAFETY INFORMATION FORUM (PSIF)

The National Nuclear Regulator (NNR) is a public entity established in terms of Section 3 of the National Nuclear Regulator Act, (Act No 47 of 1999) to regulate the safe use and handling of nuclear and radioactive materials in South Africa. Facilities and actions regulated by the NNR includes the Koeberg nuclear power station, the Pelindaba research and production facilities, the Vaalputs National Radioactive Waste Disposal Facility and the mining and processing of uranium and other radioactive ores.

Nuclear emergencies can lead to significant consequences and therefore a key component of the mission of the NNR is to ensure that adequate protective actions are in place to protect the health and safety of the public during emergency and non-emergency situations. The NNR requires operators of nuclear installations to establish and maintain a Public Safety Information Forum (PSIF) to inform persons living in the relevant municipal area of the Emergency Plan and relevant information on nuclear safety.

In accordance with the Regulation R968, dated 12 September 2008, the NNR Board of Directors hereby invites nominations from members of the public living in the relevant municipal area, to serve as Chairperson of the Pelindaba PSIF. The appointee shall hold office for a period of two years and perform their duties without financial compensation.

Submission of nominations:

Please submit a written nomination, a declaration of acceptance by the nominee, a copy of the nominees CV and certified copy of ID to the NNR by 14 September 2020.
